Join the adventure on a Bike for a Bunch!

Downtown
Stillwater, MN

The BierCycle is a multi-person pedal bike exclusive to downtown Stillwater. It can hold up to 10 eager pedalers and 3 non-pedalers. The BierCycle features a cooler on board with room for more and a motor for groups that may need a little help. Your tour will always be complete with your own driver and tour guide to steer the BierCycle, assist riders and to tell you about all the fun things there are to see and do in downtown Stillwater.

The BierCycle is fun for all ages, however, pedalers must be able to reach the pedals and weigh under 350 lbs. Those outside of these requirements are welcome to sit on our comfortable bench seat. All are welcome to join us at BierCycle Adventures!

Join us for a public tour or reserve our bike for a private tour with friends and family.

Public Tours

Our trained tour guides bring you on a narrated historic tour through downtown Stillwater. This 35 minute tour touches everything from the Joseph Wolf caves by Nelson Street to the Warden's House on the north side of town.
