## Downtown Stillwater, MN

Our BierCycle is a multi-person pedal bike exclusive to downtown Stillwater. It can hold up to 10 eager pedalers and 3 non-pedalers. This bike also features a misting system for those hot summer days, and a motor for groups that may need a little help. Your tour will always be complete with your own driver/tour guide to steer the BierCycle, assist riders and to tell you about all the fun things there are to see and do in downtown Stillwater.

The BierCycle is fun for all ages, however, pedalers must be able to reach the pedals and under 350 lbs. Those outside of these requirements are welcome to sit on our comfortable bench seat. All are welcome to join the adventures at BierCycle Adventures!

Join us for a public tour or reserve our bike for a private tour with friends and family.

## Public Tours

Public tours run spring, summer and fall. Go to our website [www.BierCycleAdventures.com](http://www.BierCycleAdventures.com) for the latest public tour schedule.

Our trained tour guides bring you through downtown Stillwater while informing you of the historical, fun and interesting elements of the area along the way.

\$12.00 for adults

\$10 for kids ages 6 to 11

Free for kids 5 & under

Tours depart from the east side of Water Street just north of Myrtle Street near the new pedestrian walkway and restrooms.

## Private Tours

Private tours can be scheduled by calling our office. Each private tour will have a driver and a server. Riders are allowed to bring beer, wine and malted beverages on board their private tour. More information about alcohol on board the BierCycle is provided on our website. Give us a call to make your reservation today at (651) 300-2202.
